1952

Foreword

The Annual Staff of 1952 proudly presents this year's Indian Village Annual.

My staff and I have worked hard to make it the best possible. I wish to thank all my staff for their fine work and co-operation.

Special credit is due to Mr. Koenig, without whose patient and excellent supervision, this annual would not have been possible. Also to my business manager, Richard Krebs, who did a fine job in handling the advertisements, I wish to express my gratitude.

I sincerely hope that you will enjoy reading this annual as much as I enjoyed working on it.

Meeting Pupil-Community Needs

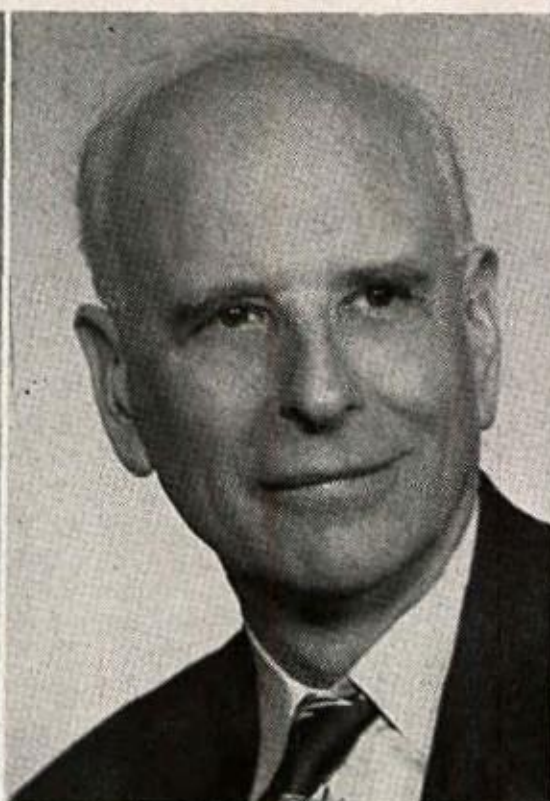

The school is an agency established by the people to provide systematic instruction and guidance in certain aspects of effective wholesome living supplementary to that already provided by home, church, and community. To be fully effective the school's program must be continuously controlled by three important considerations: (a) pupil-community needs and resources as indicated by systematic studies of these, (b) the aspects of living with which the people, to whom the schools belong, desire systematic instruction and guidance, and (c) the character of the educational experiences already provided by the home, church, and community. Each of these aspects of the social situation of which school is a part places definite restrictions upon the school's program and indicates important responsibilities. To develop a truly effective

program those responsible for the program will need to thoroughly familiarize themselves with these important aspects of the situation and be guided accordingly.

To you, the class of 1952, we sincerely hope that you have received during the years you have spent in school a vision. This vision to include not merely facts but the development of an attitude which will challenge any need you may have.

Senior Class History

Seniors, at last we've made it, and do you remember as we started our high school careers four years ago in 1948? Now, suddenly, it's all over forever, and we find ourselves looking back on those four years that were so filled with precious memories of our high school days.

Way back in our freshman year we started out with 72 members, but only 70 finished to receive diplomas. Bill Wolfe led us with Bob Caldwell, vice-president; and Harry Walton, secretary-treasurer, to help him out. The freshmen had their first and only class party that year which was held November 9.

We were an industrious and curious class as we entered our high school days and I'm sure we wouldn't have gotten through that year without our able sponsors, Miss Lois Perry and Mr. Robert McLean.

Our history began to grow as we became "sophies." Although we hadn't changed much, we thought we were 100% smarter and quite a bit older and more mature. Of course we soon found out differently and started off the year with an informal class party on October 25, under the supervision of Mr. Earl Shaffer and Mr. Frederic Criner. Our biggest moment was when we voted for and selected our class rings. It was even more exciting when we tried to earn enough money to pay for them! Our competent and helpful officers that year were: Allen Newell, president; Gerald Schuler, vice-president; Jack Lewis, secretary and Dick Beidler, treasurer. Under the direction of Mr. Criner, we presented a one-act play, "Ghost in the House," which gave us much satisfaction.

The half way mark was begun with the juniors choosing Dick Rall, president; Erma Moore, vice-president; Leonard Dillion, secretary; and Marilyn Steck, treasurer. It was a fine job they did, too, leading us along the way of a very successful year. We had a wonderful time presenting "Ever Since Eve" under the able direction of Miss Evelyn Neumeister, and we feel it was really a credit to the class of '52. We worked very hard selling the refreshments at the basketball and football games so that we would have sufficient money to sponsor the annual Jr.-Sr. Prom, which was the biggest affair of the year. It was held May 21 and, as customary, it was given in honor of the seniors. The prom theme was carried out nicely with the "Land of Imagination" as the title.

And then, almost before we could catch our breath, our senior year began. To conduct and guide us through our last year, we chose Dick Beidler as our president; Bob Halm, vice-president; Elizabeth Frey, secretary; and Shirley Wolfe, treasurer. The seniors had many important decisions to make. We chose our namecards and announcements, the color of our caps and gowns, our class flower, our official '52 colors, and our class motto. On November 16, the seniors enjoyed a wonderful time at their class party. On May 26, we were honored by being the guests of the juniors at the Jr.-Sr. Prom. Finally and last of all came Commencement! As we leave good ol' USHS, we feel that we have well fulfilled our expectations, and that we owe it to our school to put in practice in the future the knowledge and principles we have learned here in the past four years.

Senior Class Play

The seniors presented their play, "Meet Corliss Archer," in the high school auditorium, Thursday, May 1, under the direction of Mr. Frederic Criner. The cast was as follows:

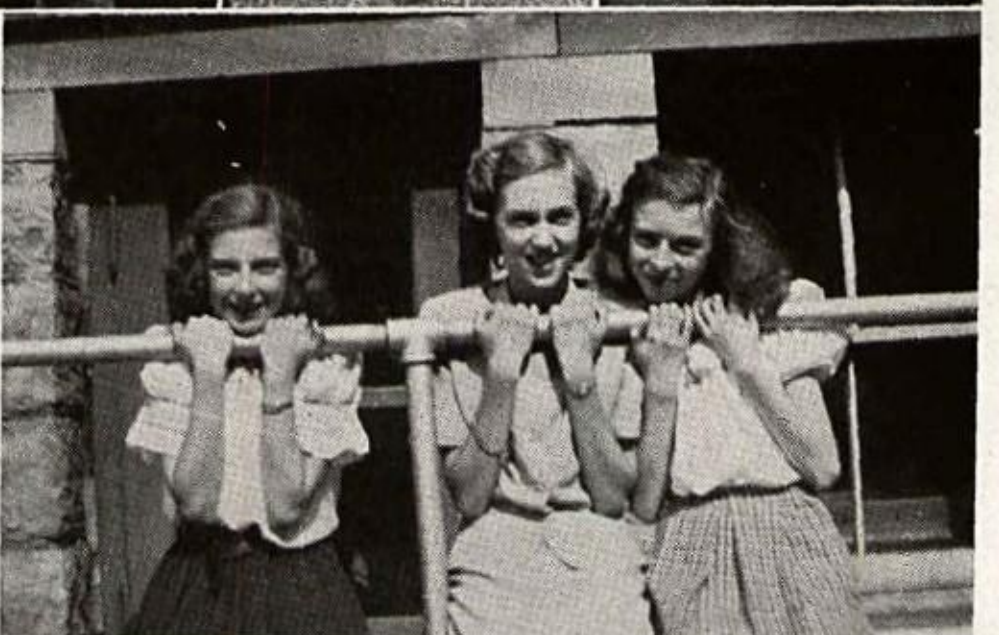

Corliss.....	Ann Hunter	Cousin Agnes.....	Maurine Martin
Dexter.....	Allen Newell	Louise.....	Rhetta Rhoden
Mr. Archer.....	Dave Meeker	Betty.....	Diane Kauble
Mrs. Archer.....	Joan McWilliams	Mildred.....	Barbara Quail
Mr. Franklin.....	Richard Krebs	Doctor.....	Harry Walton
Mrs. Franklin.....	Marilyn Steck	Nurse.....	Thelma Rayl

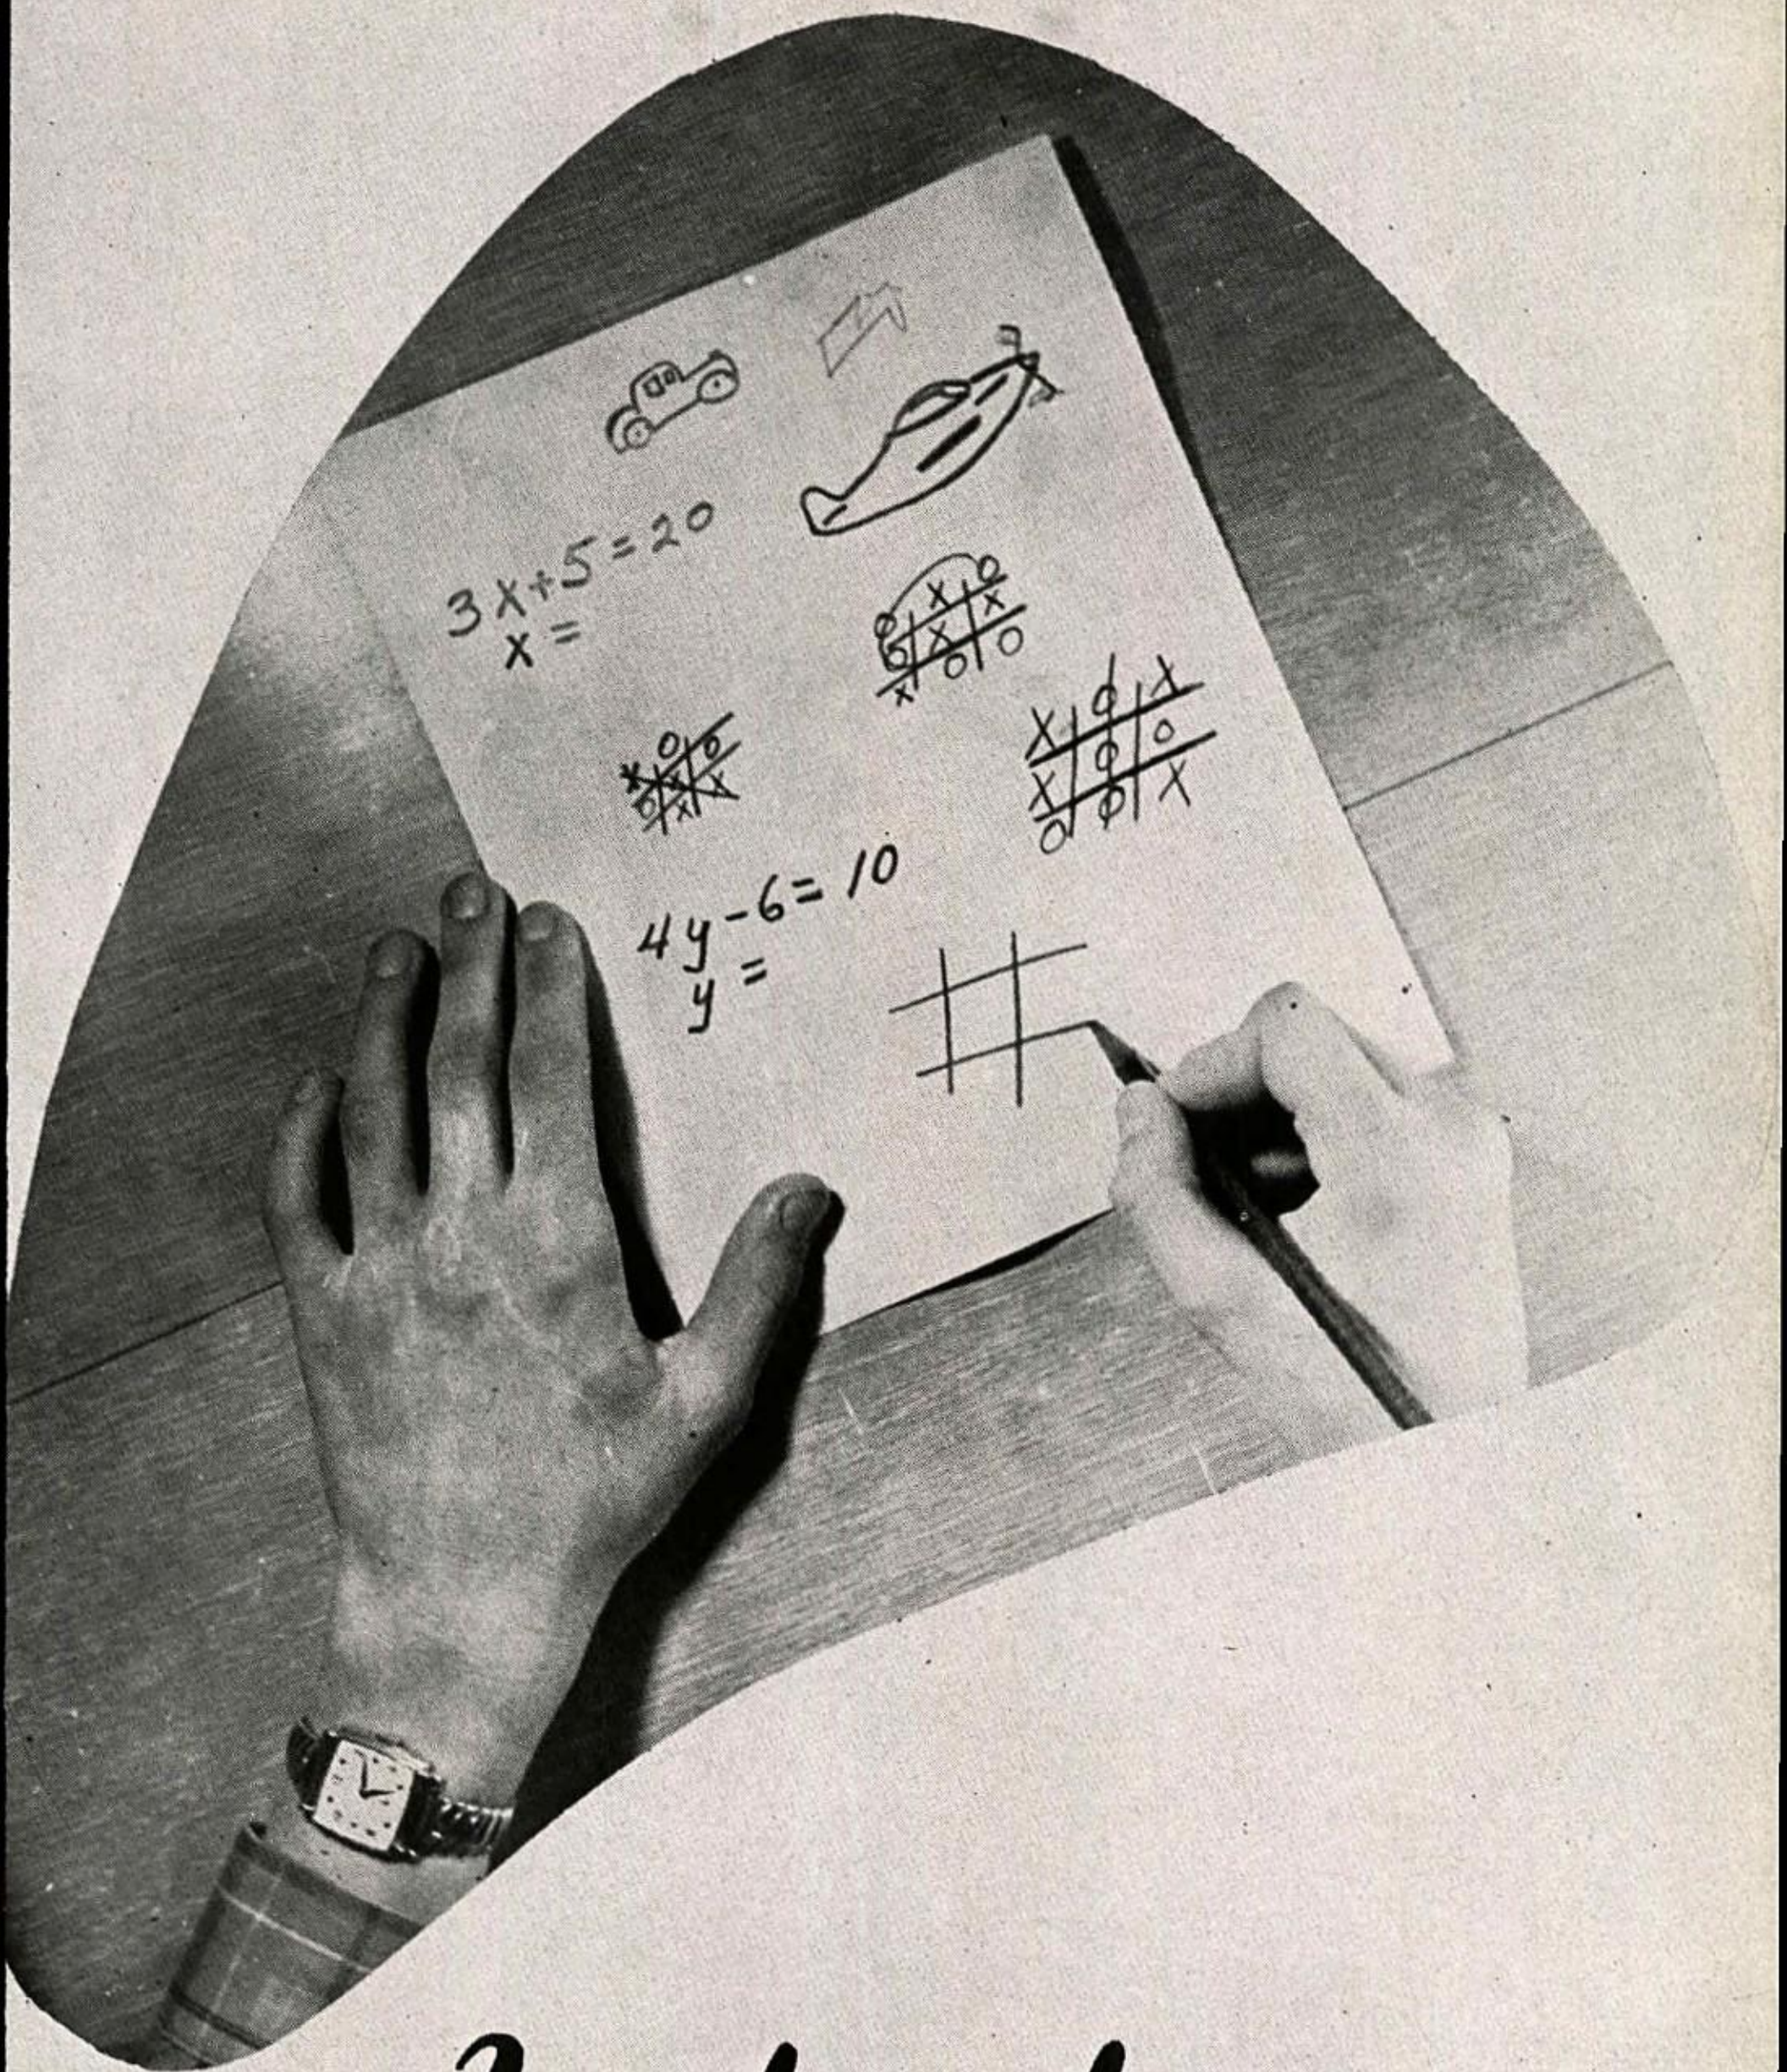

Corliss, who is bored to death with her quiet life, decides to make it lively by making a fake diary which would make anyone's hair curl. Her cousin who comes to visit the Archers gets hold of the diary and believes it is true. When Mr. and Mrs. Archer hear about the diary, they won't let Dexter set foot in their house. However, the third act moves quickly to comedy again.

Row 1: Thelma Rayl, Diane Kauble, Barbara Quail, Ann Hunter, Joan McWilliams, Marilyn Steck, Maurine Martin, Rhetta Rhoden.

Row 2: Harry Walton, Allen Newell, David Meeker, Richard Krebs.

History

To start the year off right, the juniors elected Dick Corbin as president, Juanita Pfeifer to assist him, and Darrel Plott to keep the minutes and the money in order. These officers, along with the help of the appointed committees and their sponsors, Mrs. Caves and Mr. Strang, planned an enjoyable informal party. It was held February 21, with the diversion of the evening being round dancing.

On November 30, the junior class presented "the Fighting Littles," a three act comedy under the direction of Mr. Donald Olin. It will be remembered a long time by all; by the laughs it received, the juniors know it was a credit to them.

The junior class also contributed many outstanding athletes to all phases of USHS athletic activities. Many of the fellows won varsity letters this year and aided greatly in bringing to USHS outstanding sports records for the years 1951-1952.

They were equally proud of their accomplishments in the scholastic field.

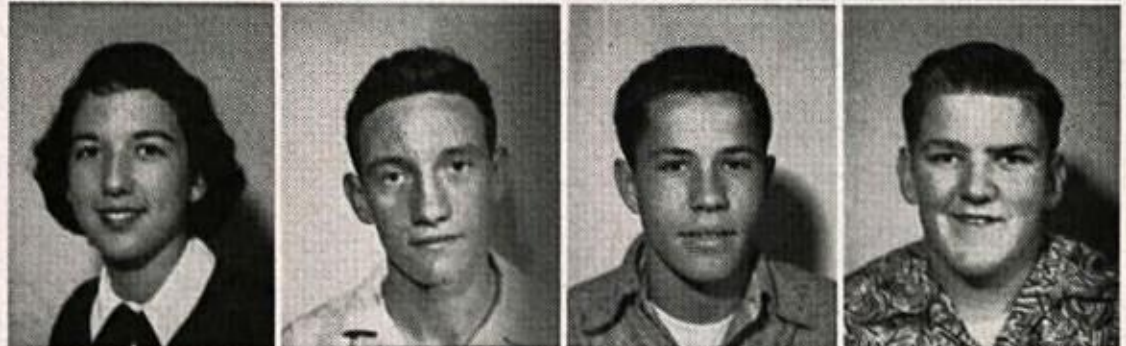

To climax their year, the juniors presented the annual "prom" on May 26, in honor of the seniors.

DAVID KUENZLI President

History

The sophomores tried hard this year to live up to USHS's high standards by lugging their books home to keep up their scholastic averages.

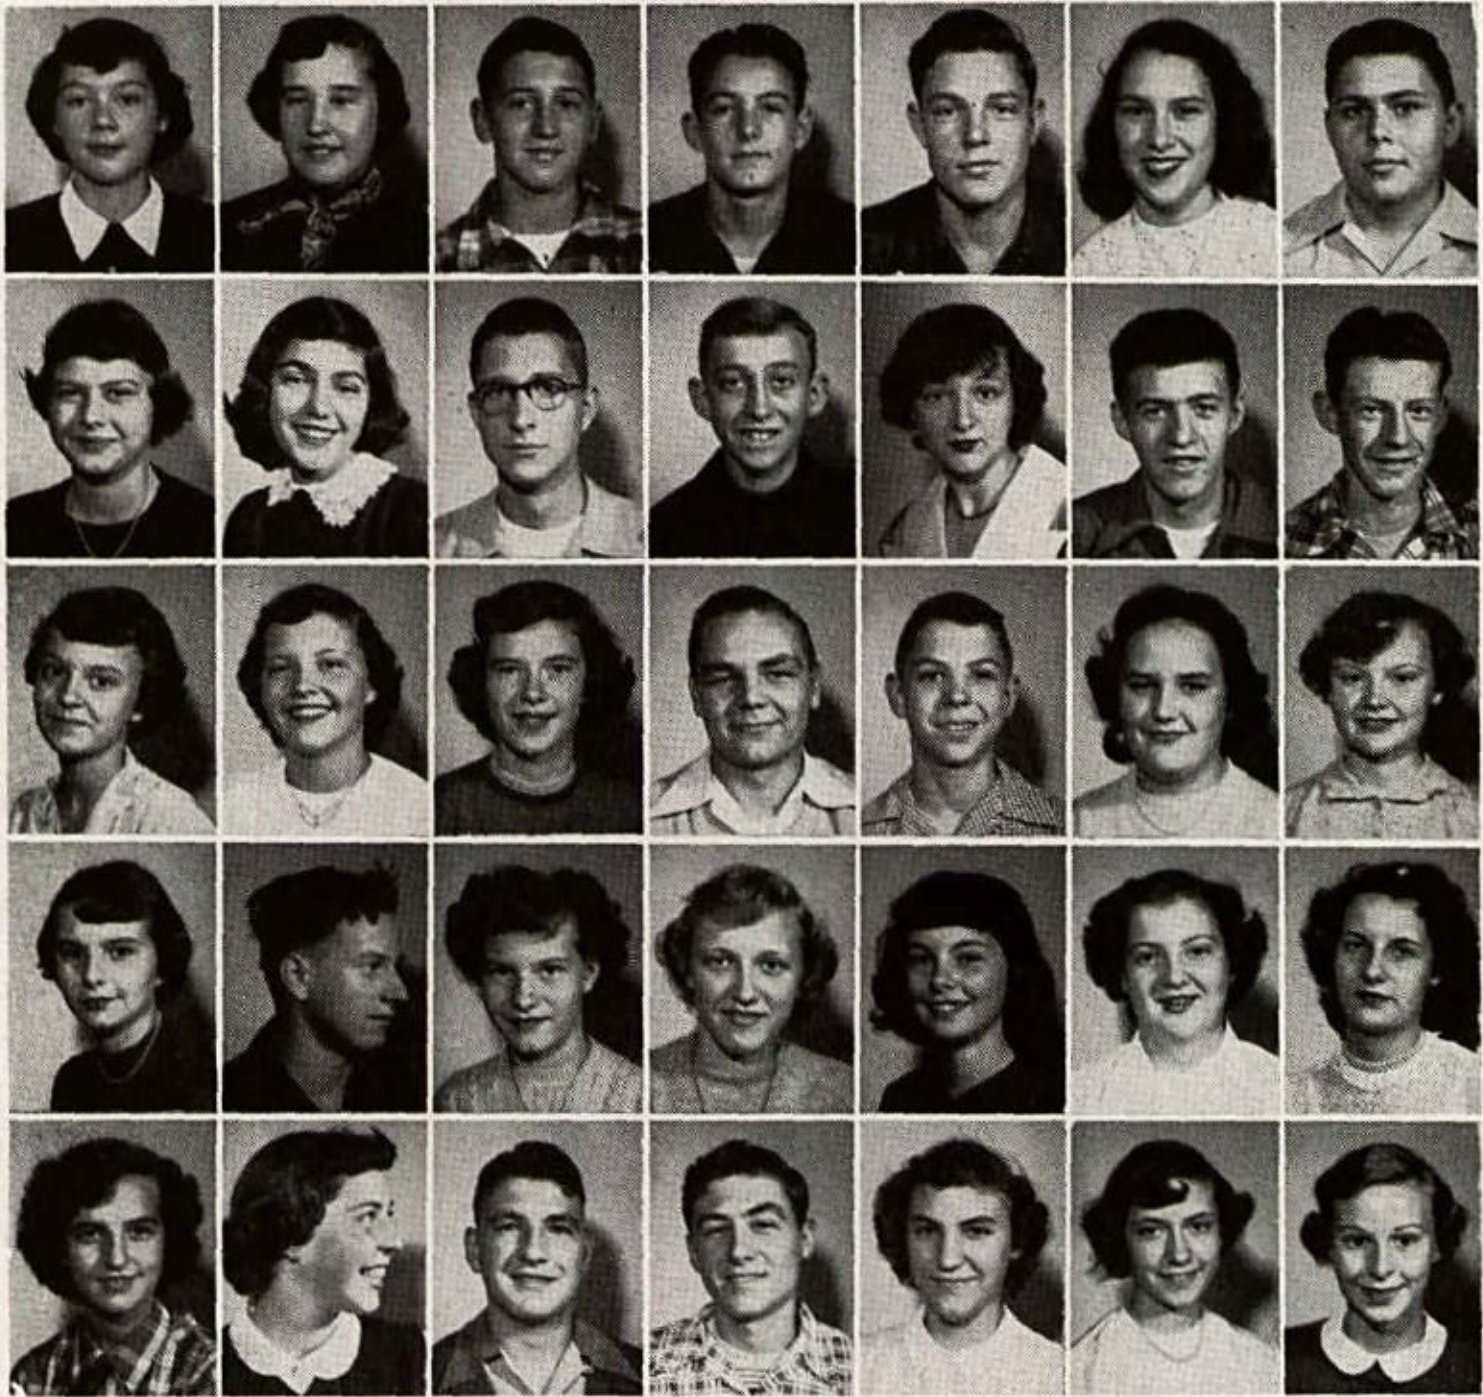

They chose David Kuenzli as their head man, with Kenneth McClain as vice-president; Betty Kinsley, secretary; and Don Eyestone, treasurer, as their sophomore mentors.

They have participated in many activities, but at the top of the agenda was the selection of their class rings.

With the assistance of Mr. Shaffer and Mr. Criner, the sophomores held a hard times party November 27.

They will carry with them always the memories of the nice times, as well as the hard work, that they had while members of the sophomore class.

Freshman Officers

BILL STEPHENS Vice-President

MARILYN DILLON ... Secretary-Treasurer

JAMES KELLY President

History

Their freshman year was an exciting one. At first they were a little timid, a little unsure of themselves, but as they became accustomed to new subjects and new schedules, began to learn their way around in the strange rooms, they gradually acquired self-confidence. They got right into the swing of the USHS spirit at the first by entering wholeheartedly into all the school activities.

To conduct them through the year they chose James Kelly as president and Bill Stephens as his assistant. Marilyn Dillon kept their books and took charge of their finances.

Mr. Olin and Mr. Koenig had the task of supervising them and without their aid, the freshman party, which was held January 29, wouldn't have been the big success that it was.

They feel that, although they're just the youngsters of the USHS family, they've made a good start and the next three years will be even better.

The purpose of the Hi-Y Club is, "to create, maintain and extend throughout the school and community a high standard of Christian Character."

The club this year sponsored a paper drive and several after-the-game dances to raise funds.

Richard Krebs and Richard Stansbery represented the club at the Ohio Youth and Government Program. This program was held at Ohio State University on April 25, 26, and 27. At this time the Ohio Hi-Y clubs, through their representatives, took over the entire state government for three days.

Officers for this year were: Richard Beidler, president; Robert Halm, vice-president; Richard Stansbery, treasurer; and Myron Rife, secretary. The club advisor was Mr. Donald Olin.

HI-TEENS

Hi-Teens is an organization which all sophomore, junior and senior girls are eligible to join. The club officers and Miss Golling, Dean of Girls and sponsor of the club, have done a fine job of supervising the Hi-Teens and have provided much entertainment for all its members.

The 1951-1952 officers were Marilyn Steck, president; Barbara Kotterman, vice-president; Diane Huffman, secretary; and Margie Miller, treasurer.

Members of the Hi-Teens had a very active and successful year. At the beginning of the year, a beautiful Candle-light Service was held for the induction of new members. Two outstanding projects for the year were making toys as Christmas gifts for the needy children of the county and the selling of monogrammed stationery. During the year, different speakers spoke to the girls regarding vocations, professions, and careers.

The annual Christmas Dance, although delayed because of bad weather, was as successful and beautiful as it has been in the preceding years.

We seniors wish to thank Hi-Teens and especially Miss Golling for all the ideas, good times, and memories which they have given us.

MARCHING BAND

One of the main attractions at each of the Rams' football games was the striking performance of the brightly-clad U.S.H.S. Marching Band. Their snappy marches and clever formations brightened many a half-time and aroused the spirit of victory at the games.

Mr. Faulk, our very capable director, spent many long hours planning the shows, writing the music, and drilling the band. We owe him our most sincere thanks for being so patient with us.

It is with heavy hearts that we, the seniors, leave behind all the fun we had as members of the marching band.

ORCHESTRA

The orchestra, which is organized after the end of the football season, meets twice a week during eighth period. Because it gets a late start and consequently has less time to practice, the orchestra makes fewer appearances than the other high school musical organizations, but the quality of their performances makes up for the quantity.

On Friday, April 25, the orchestra went by bus to Bellevue for the annual N.O.L. Orchestra Festival at which they played several selections ranging from classical to modern music.

Under the careful supervision of Mr. Faulk, the members of the Junior Band are preparing for the day when they will replace the seniors in the band and orchestra.

These boys and girls have worked hard in their classes, three times a week during fifth period, and the music that floats through the halls during their practice periods sounds very promising indeed.

After the football season a few instruments in the marching band are changed, and the concert band emerges ready to begin practicing for the various programs at school in which it takes part. Rehearsals are held three times a week during eighth period.

The band played for the Community Institute, which was held in our auditorium in January. After this concert, the band began practicing for a spring concert which was presented near the end of March. For the first time, our band prepared for a district band contest as well as the annual N.O.L. Band Festival which was held at Shelby this year. We are really proud of our concert band this year, and we hope that it will continue to do as well in the years to come.

CHOIR

The Choir began the year by singing at the program presented for the high school on the day before Thanksgiving. Their second program was to have been presented before Christmas vacation, but because of bad weather, school was closed a week early, and the Christmas program was called off.

Immediately after Christmas vacation, the choir began rehearsing for a beautiful Easter program which was given for the high school.

As a climax to the year's activities, the choir participated in the annual N.O.L. Choir Festival at Crestline.

The festival was the seniors' last appearance with the choir, and it was with heavy hearts that they turned in their choir robes, but as they listened to the choir at Baccalaureate, they realized that the choir will continue to make beautiful music without them.

Under the very capable direction of Miss Marjorie Peters they have demonstrated their ability quite ably at various school programs, and at times they have combined their talents with those of the Girls' Glee Club.

We hope that these girls will continue to be musical as they progress through high school.

GIRLS' GLEE CLUB

The Girls' Glee Club under the direction of Miss Marjorie Peters is composed of over sixty girls this year. Any girl in high school may join the glee club for the pure enjoyment of singing. Their music ranges from sacred songs to semi-popular tunes.

The glee club practices twice a week during the thirty-minute homeroom period. They have appeared on several school programs throughout the year, and they have done very well on each occasion.

We sincerely hope that the girls' glee club will be as successful in the years to come.

The Upper Rams' football squad, under the capable direction of Leo Strang, head coach, and Marvin Moorehead, assistant coach, reported to practice late in August, 1951, in preparation for the tough grid schedule which was ahead of them. Although handicapped by inexperience and lack of depth in material, the squad showed that hard work pays off, by turning in a fine season's record of five wins and four losses.

After losing to a powerful opening opponent, Westerville, and dropping the next two N. O. L. games to Bellvue, the league champ, and Norwalk, the Rams rebounded and won their last five out of six games.

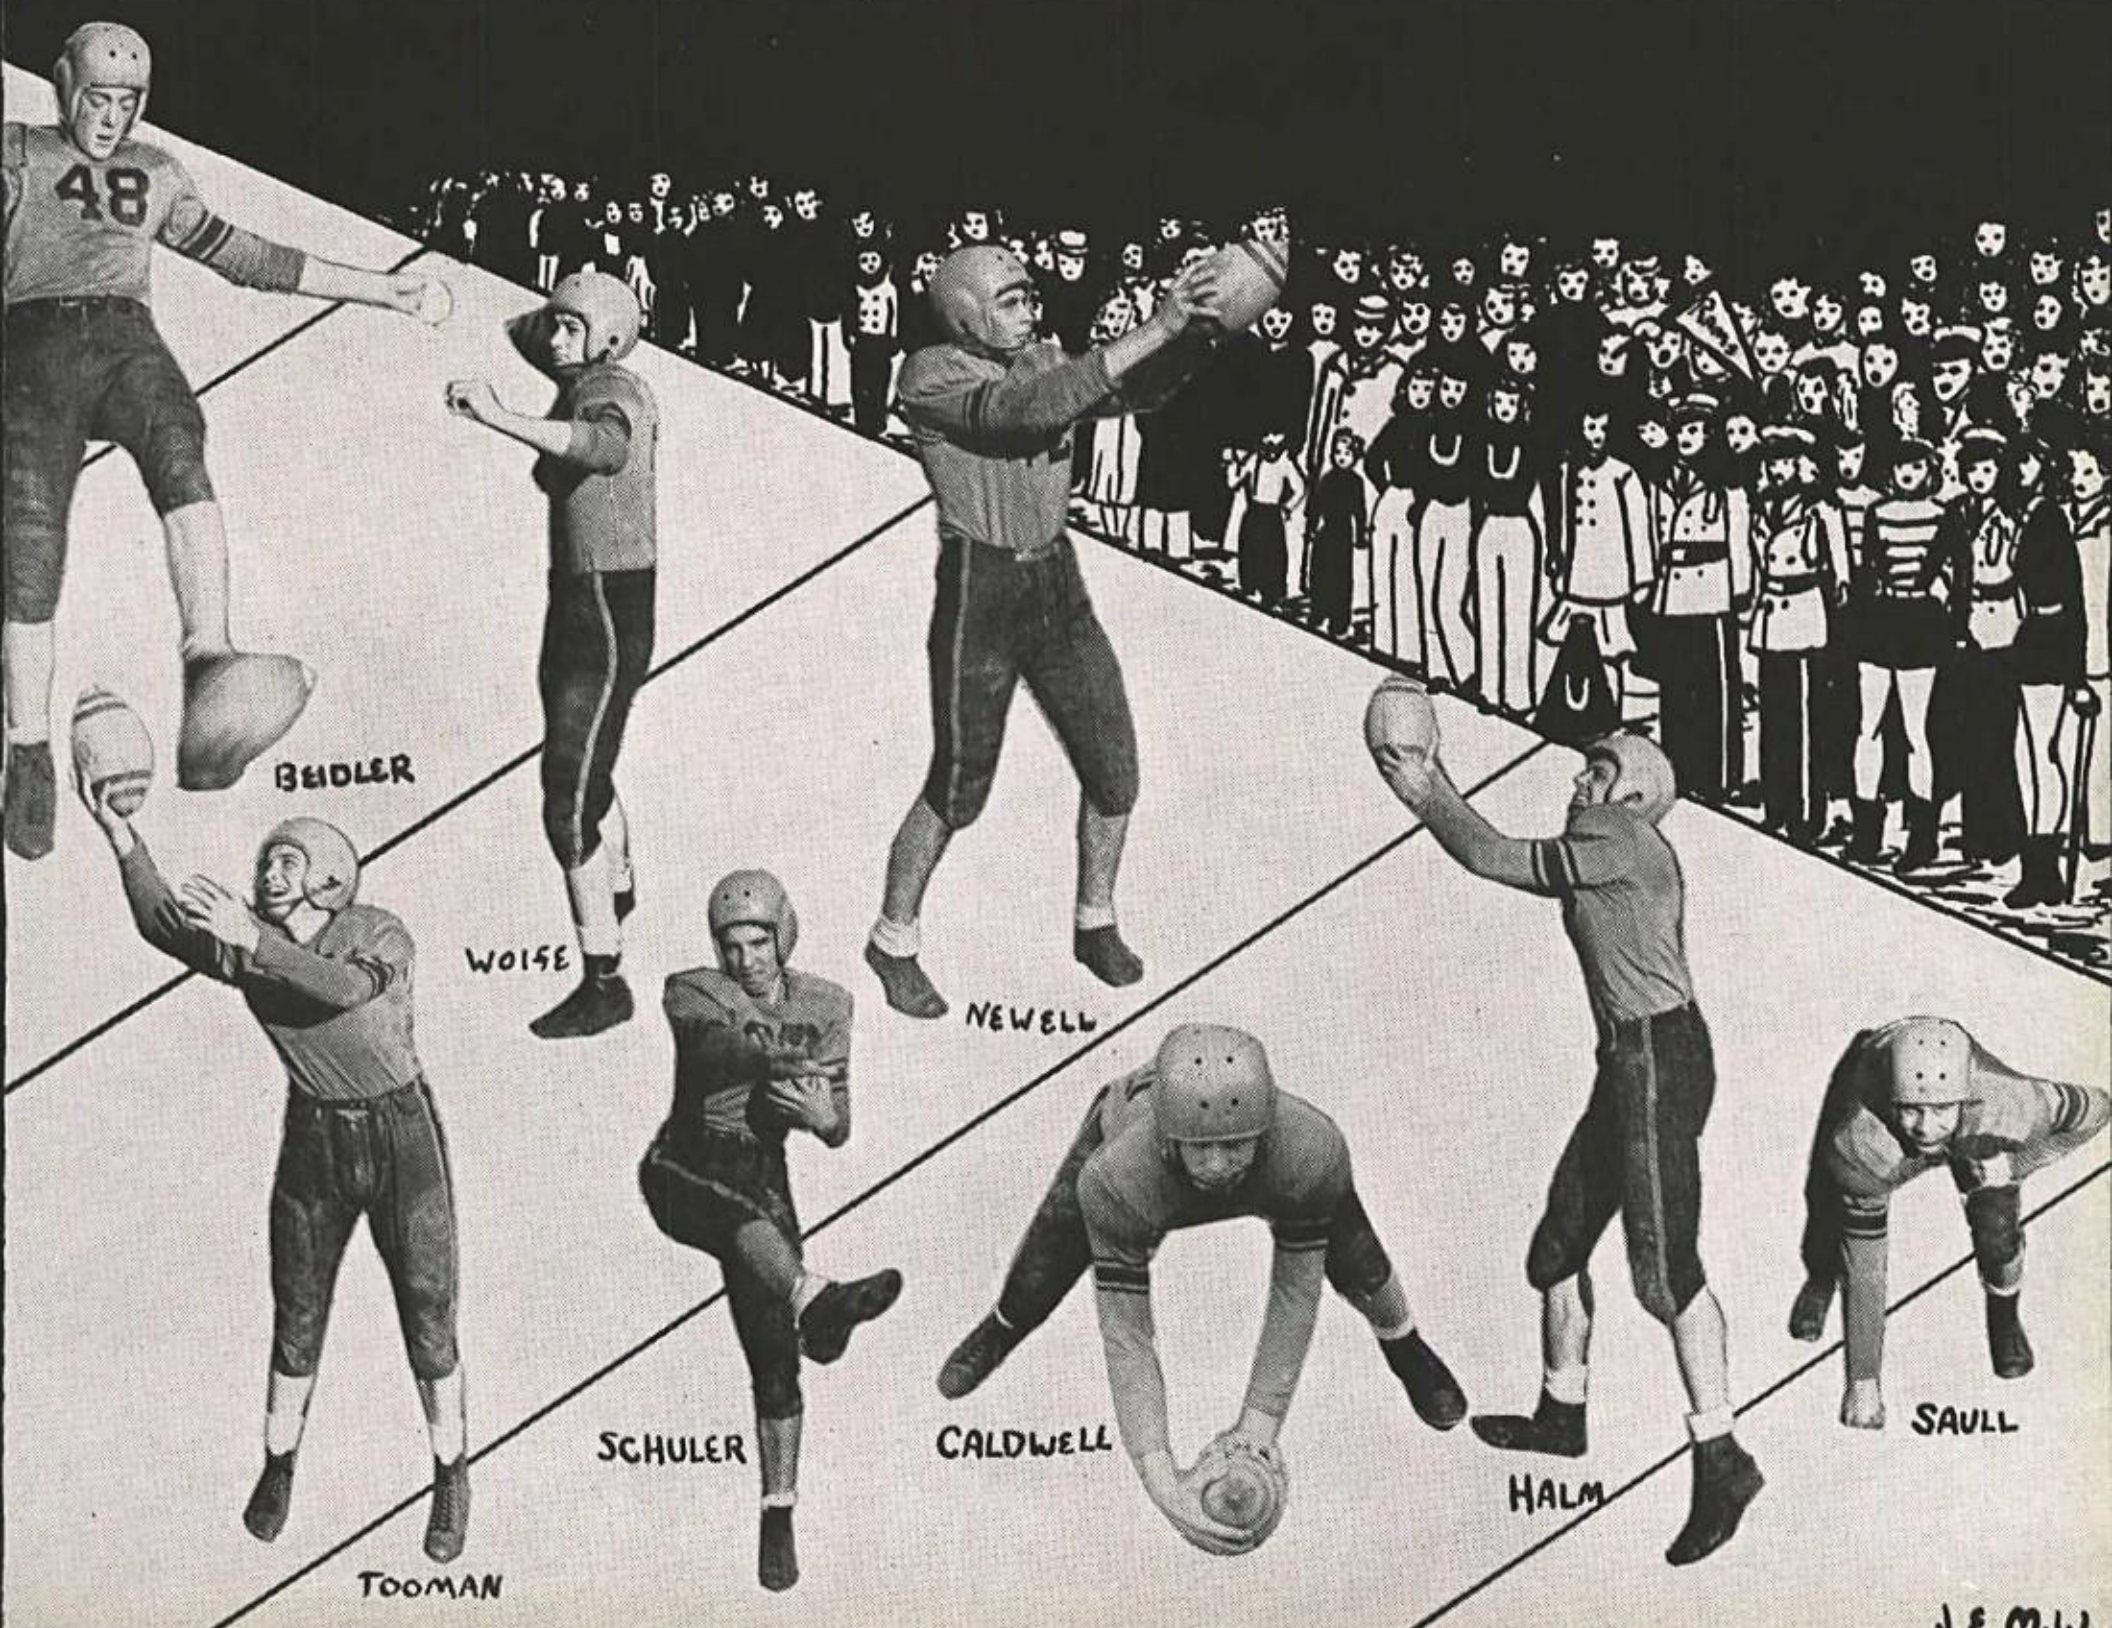

Two of the team received extra honors by being selected on the second team in the N. O. L. These boys were Gene Tooman, end, and Richard Beidler, tackle. At the annual Varsity "U" Football Banquet, Richard Beidler was named as the most valuable Senior lineman and William Wolfe was chosen as the most valuable Senior back. Myron Rife was elected, by the team, to be captain for the coming year, replacing Bill Wolfe.

This year's team deserves much credit for the spirited and successful season which they experienced.

RESERVE BASKETBALL

The Upper Hi's Reserves under the leadership of Coach Leo Strang again have had a very successful season with a record of ten wins and three losses. These boys in the future will be our varsity team and we hope they will continue such a fine record then, too.

Row 1: Coach Leo Strang, Dick Corbin, David Naus, Joe Bolish, George Bowen, James Truesdell, Herman Hoy.

Row 2: Dick Warfel, Kenny Wolfe, Dick Newell, David Kuenzli, David Schnelker, Bill Swartz, Donald Bowen.

BASKETBALL

The Upper Rams' basketball team, under the direction of their new coach, David McFadden, were hampered greatly by the lack of height. Although outplayed during the season, they were never out-fought. After getting off to a bad start, they seemed to find their stride and played good ball the rest of the season.

The Reserves had an excellent season this year, under the leadership of Leo Strang, as they won 10 while losing only 3. They promise to give Upper a very good varsity team next year.

TRACK

Row 1: Don Boes, Bob Halm, Gene Tooman, Tom Rall, Bill Wolfe, Bill Gibson, Allen Newell, Dick Krebs, Ned Winter.

Row 2: Donald Saull, Gerald Schuler, Herbert Wichmann, Wayne Moses, Dick Newell, Dale Walterhouse, Dick Stansbery, Mervin Henry, Herman Hoy, Coach Marvin Moorehead.

Row 3: James Radwick, Dick Beidler, Tommy Warfel, Tom Caldwell, Russel Rall, Bob Caldwell, Dwight Larcomb.

With a new track coach, Marvin Moorehead, and ten returning lettermen, another successful track season was anticipated. Last year's squad was N. O. L. champions, and we sincerely believe that this year's track men have maintained the Rams' fine records which have been set in the past years.

The regular season opened April 3, with Clyde, and throughout April and May the team competed in the Mansfield Relays, Ohio Wesleyan Relays, Toledo DeVilbiss Relays, District Meet at Mansfield, and the State Meet.

VARSITY "U"

This organization consists of all boys who have earned a major letter in any sport: football, basketball, and track. They are under the capable leadership of Coach Marvin Moorehead. These boys have worked hard for their letters and all sports-minded boys consider this as an honor organization.

They have a VARSITY "U" DAY on the first Tuesday of every month, on which all the boys wear their letters.

Row 1: Donald Saul, Allen Newell, Dick Corbin, Bob Halm, Bill Wolfe, Dick Krebs, Bill Price, Dave Eippert, Gene Tooman, Dick Beidler.

Row 2: Ned Winter, Gerald Schuler, Myron Rife, Bob Caldwell, Tom Rall, Jim Shafer, Ray Hall, Robert Best.

Row 3: Dwight Larcomb, Bill Gibson, Jack Lawson, Bill Corfman, George Bowen, Keith Quail, David Kuenzli.

Row 4: Coach Marvin Moorehead, Tom Matteson, Wayne Moses, David Mason, Dale Walterhouse.

Homecoming

Shirley Wolfe
Ann Hunter

June Thiel
Madeline Thiel
Carolyn Krebs

In a shivering pre-game ceremony, Miss Carolyn Krebs was crowned Queen of the Homecoming by Mayor C. M. Beaton, Friday, November 2.

Her attendants were: June Thiel, Madeline Thiel, Shirley Wolfe, and Ann Hunter.

In spite of snow and cold, the Upper Rams helped to make the evening a big success by trimming Shelby 14 to 6.

CHEERLEADERS

These are the girls who have maintained the school spirit at a high level throughout the seasons. Their spirit and pep instilled in the school body a desire to win and helped the team on to victory.

Since none of these girls are seniors, we are looking forward to seeing them again next year and hope that they will continue to keep the school spirit alive.

Prophecy

U. S. H. S. Television Station
Planet X
1965

People of the United States:

Flash! You are in danger! These two reporters, having just landed on the newly discovered planet that is hurtling toward earth with tremendous speed, are now warning you of coming disaster. This planet is inhabited by that notorious CLASS of '52. We shall give you some examples of their ideas of civilization which may, if this planet hits our earth, drive us all into state institutions.

Can you imagine Helen Marklew as a blues singer? Well, listen to this—she is now appearing at Tom Rall's newly re-opened "Tom's Tackey Tavern." Tom is happier these days as his wife, Marca Bleam, has agreed to their third reconciliation. Also featured on the bill are those famed "Charleston Cuties" Barbara Quail, Rhetta Rhoden, and Janice Frisch.

On top of Mt. Polyphumus the mad scientists, David Long, Dwight Larcomb, and Ned Winter have just perfected a new drug, a cure for "hadacol" addicts.

Harold Johns and his wife, Shirley Lumberson, have opened a used-car garage, "Honest Harold's Hot-Rods." He employs Bob Caldwell and Paul Eippert to wash cars.

On the other side of town we saw Harold's chief customers, Don Boes and his "Devil Drivers," Jerry Karg, Ralph Starling, Jim Gillen, and Paul Amos, practicing for their appearance at "Cucamonga County Fair."

Bill Price, newly elected prosecuting attorney, has just brought his first case to the Supreme Court—The State against Pat Walker and Dick Beidler for "disturbance of the peace." Ace photographer, Dick Krebs, is covering the trial for "True Romance" magazine.

Mr. and Mrs. Robert Halm (the former Joan Hetzel) are touring the planet on B. G. Corn Plasters. The latest report states that they are stuck on "Top of Old Smokey."

Dick Rall is running for his second term as President of Planet X. He is sure to be elected as his pretty wife, June Thiel, is accompanying him on his campaign tours.

Ann Hunter is principal of "Yalencia College." She has employed David Meeker to teach music to her "kiddies."

Marilyn Steck is opening at Tin Can Alley, presenting for the first time her own interpretation of "Three Blind Mice." Mary Lou Beaston and her magic violin will also be featured. Her teacher, Jack Benny, is confident of her success.

Nature Girl (Kathryn Hessey) and the Alabama Assassin (Madeline Thiel) will meet at Hexigon Square Garden for a championship wrestling match. Arden Miller is acting as the referee in this contest.

Prophecy

Jim Miller and Leonard Dillion have written another great song hit, "I'm Glad I Made You Cry, Cause Your Face Is Cleaner Now."

Rose Ellen Weissrock, Carol Walters, and Barbara Kotterman are all happily married and are living on "Mortgage Row." The Swartz twins, Marilyn and Mabel, have married twin brothers and are living on a farm.

Joan McWilliams and Helen Hare have entered their artistic masterpieces, which they have been working on for ten years, in the Museum of Messie Masterpieces. Art critics Cyril Frey and Eugene Swinehart firmly believe that when they figure out just what the pictures represent they will gain international recognition.

Nurses Thelma Rayl, Diane Huffman, Maurine Martin, and Shirley Wolfe have opened a rest home for retired bachelors. Dick Stansbery and Fred Roberts were their first inmates. The head dietician is Diane Kauble.

Don Saull and Gerald Schuler are writing a book on "How to Build Muscles." Harry Walton and Allen Raymond seem to be waiting breathlessly for its publication.

Lucinda Gundecker, Elizabeth Frey, and Avis Barth have opened the world's largest hotel, "Dew Drop Inn." They employ Paul Newell as a bell-hop and Pat Southward as elevator operator.

Glen Thiel, Bob Kelly, and Kenneth Will have crossed a carrot with corn and are now selling "carrot on the cob."

Bill Gibson, better known as "Hick-A-Long-Hassidy" to the younger generation, is making millions in cowboy pictures. Herbert Wichmann, also in pictures, is called "The Great Lover" of this century.

Erma Moore and Marjorie Miller are editing a column entitled "Advice to the Lovelorn" in the planet's most popular newspaper, "Cupid's Courier."

Bill Wolfe, Gene Tooman, and Allen Newell voted the football team most likely to lose, play their next game in "Chilibergia."

Yes, citizens of the United States, this could happen to you. Are we just going to sit by and become victims of the CLASS OF '52? We have given you a fair warning. Act now. This broadcast has been brought to you through the courtesy of the U.S.H.S. Television Broadcasting System.
